ON the 15th of November next at the WHITE PLAINS, upon the premises, in the County of Patrick, I shall proceed to sell 20,000 acres of Land to the highest bidder in tracts to suit purchasers, upon a credit of five years, that is one fifth part annually for five years, the last four payments to carry interest from the date.—Bond & approved security, together with a deed of trust upon the Land, will be required of the purchasers.

A special warranty title which will be expressed in the deeds will be made to the purchasers.

Persons wishing to purchase have now an opportunity of selecting a fine estate—such are invited to view the Lands and confer with the subscriber, who will be in the neighbourhood several days previous to the day of sale.
