

Camp Curad's Mill April 10th 1788

Sir

I received a letter some weeks ago from Col^l Muter informing me the three state Regiments were to be reduced into one, & the oldest Officers to take command, if this arrangement takes place I am entitled to a command in the 2^d Regiment; I last winter got an order from the Baron for seven months pay, which your Excellency informed me I was to draw from the Com^d Pay Master, before I saw him the Enemy came to Richmond & I lost the Order. I apply'd to the Baron for another he inform'd me he could not grant an order as he had received orders to the

contrary but would give me an order for
some money to carry me to Camp. I refused
receiving such an order, & I hope your
Excellency will allow Major Long to re-
ceive my Pay due me from the 1st of
Aug. last, I am obliged to be the expence
if double my Pay should I be allowed the
full depreciation. I am Sir

Your Obedt^t Serv^t

Most Ob^t & Very Hum^l Serv^t
