

Am the undersigned residing near Seaborn  
& Broad Boys, feeling the great inconvenience which  
arises from the obstructed navigation of those  
waters, and believing that said obstructions  
may be removed at an inconsiderable expense  
yet desirous of having a survey made, for the  
purpose of deciding the practicability of the  
enterprise hereby respectfully request the  
Hon. the Legislature of Virginia to order  
such survey.
