

Buffalo, Putnam County, Virginia,

To the Honorable, The General Assembly of Virginia,
your undersigned memorialists would respectfully represent, that it was with surprise they understood that a petition was before your Honorable body, for changing Front Street to its original place in the Town of Buffalo. As the undersigned is all owners and occupiers of lots in sd Town, we would regret to see sd change made, as it would damage many of the lot holders on sd street, and be of no benefit to any. And as they have had no notice of sd petition they would ask respectfully, that you bear this as their remonstrance against sd petition, all for which they ever pray.
