

We who have hereunto subscribed our names  
 Being citizens of, Amherst, Lynchburg; or its

 has petitioned the ~~the~~ Legislature of Virginia for  
 Leave to erect a toll Bridge across James River  
 near his ferry & being of opinion that such a  
 Bridge would be of great public utility we heartily  
 join in the prayer that his petition may be  
 granted.

I Wm Daniel do certify that I have no objections  
to the passage of a law allowing Benjamin Schoolfield  
permission to erect a toll bridge across James' River  
from his lands in Amherst on the north side to  
my lands on the South side - It being understood  
that the law is to pass according to his petition to take  
effect if the said Benjamin Schoolfield obtains the  
consent of the owner of the lands on the Southside  
on which he will abut the bridge, (from which  
abutment he will require a road to Lynchburg), &  
not to take effect, nor such road to be opened with-  
-out such consent. Lynchburg 22. Decr 1832
