

To the Honorable the Speakers & Members of both Houses of Assembly of
the Commonwealth of Virginia.

The petition of James Chambers of Louisa
County respectfully sheweth, That by an Act passed in the year 1771 he was al-
lowed a pension to the amount of \$10. — which your petitioner has since
found to be very inadequate to his support. Your petitioner therefore hopes
that your Honorable body will take the merits of his case into considera-
tion & grant him such further allowance in addition to his said pension
as you in your Wisdom may think proper. &c.
